CAREER FAIR 2026

Date: 16 September 2026

St. Joseph's Academy organised a Career Fair 2026 on 16 September 2026. To provide students of class XII with valuable guidance about higher education and career opportunities. The fair brought together representatives from 25 educational institutions and professional fields, giving students an opportunity to explore different courses, career pathways and future prospects.

Students actively participated in interactive sessions, cleared their doubts and gained useful insights to help them make informed choices about their academic and professional future.

The Career Fair was an enriching and purposeful experience, inspiring students to explore their interests and plan their future with greater clarity and confidence.
