

ST. JOSEPH'S ACADEMY

Earth Day Celebration Report (22.04.26)

Earth Day was celebrated in our school on **22nd April** with great enthusiasm and a strong sense of responsibility towards the environment. The day began with a special assembly dedicated to spreading awareness about the importance of protecting our planet. The assembly included speech, thought-provoking message, and a pledge encouraging students to adopt eco-friendly habits in their daily lives.

Various activities were organized for students to actively participate in making a positive impact.

Students of **Class 5** were asked to bring saplings from home. These **saplings were planted** within the school premises, promoting greenery and helping students understand the importance of trees in maintaining ecological balance. The students also **hugged the trees as a gesture of love and respect for nature.**

Students of **Class 4** took part in a creative activity where they made and decorated **paper bags using recycled paper and old newspapers.** This activity highlighted the **importance of recycling and reducing the use of plastic, while also encouraging creativity among students.**

The celebration concluded on a positive note, leaving students motivated to contribute towards a cleaner and greener environment. Overall, **the Earth Day celebration was both educational and inspiring, instilling a sense of environmental responsibility in young minds.**
