Inter- House Chess Competition (2025)

Date : 7th July 2025

"The harder the battle, the sweeter the victory."

The inter house chess competition was organised and students from class (6-12) participated with great enthusiasm. The competition was intense, with many nail-biting matches. The event fostered a strong sense of camaraderie among the participants, and many expressed how it helped them improve their strategic thinking and problem-solving skills.

It was quite heart-warming to see the children playing their moves with rapt concentration and collected attitude.
