

St. Joseph's Academy

PLANTATION DRIVE REPORT

DATE: 09/07/25

LOCATION: ST. JOSEPH'S ACADEMY, SAVITA VIHAR

ORGANIZED BY: ECO CLUB COMMITTEE

OBJECTIVE:

The objective of the plantation drive was to “promote environmental conservation,” “raise awareness about the importance of trees,” etc.

ACTIVITIES:

1. Plantation: 30-40 saplings were planted during the drive.
2. Awareness: Participants were educated about the importance of trees and their role in maintaining ecological balance.
3. Community Engagement:
50 individuals participated in the drive, showcasing community involvement. The drive fostered a sense of community and encouraged individuals to take ownership of environmental conservation.

CONCLUSION:

The plantation drive was a successful initiative. We look forward to continuing our efforts in environmental conservation and it helps in reducing carbon footprint, enhancing biodiversity etc.

Photos/Videos: photos and videos also been prepared on plantation drive.
