The activity **aimed to promote cultural awareness, linguistic development, and creative expression among students.**

Students enthusiastically participated in the event and presented poems **highlighting the natural beauty, rich culture, traditions, and heritage of Sikkim.** The performances were not limited to recitation alone; **students creatively enacted their poems, making the presentations lively and engaging.**

To enhance the effectiveness of their presentations, students used **PowerPoint presentations** along with **beautiful pictures of Sikkim**, which visually depicted the state's landscapes, festivals, attire, and lifestyle.

The event was highly informative and enjoyable. It successfully fulfilled its **objective of fostering unity in diversity and strengthening the spirit of Ek Bharat Shreshtha Bharat** among students.
