CUET Workshop

Date of Workshop: 24 July 2026

Resource Person: Mr. Nakul Sherwal

A CUET (Common University Entrance Test) Workshop was conducted on 24 July 2026 with the objective of guiding students about the CUET examination, the university admission process, and effective preparation strategies. The workshop was led by Mr. Nakul Sherwal, who shared valuable insights based on his expertise and experience.

The session began with an introduction to the importance of CUET as the gateway to admission in central and several other participating universities. Mr. Sherwal explained the latest examination pattern, subject selection, marking scheme, eligibility criteria, and the significance of the Common Seat Allocation System (CSAS). He also highlighted the importance of balancing Board examination preparation with CUET preparation, a strategy widely recommended for Class 12 students.

The speaker emphasized smart preparation techniques, including regular mock tests, NCERT-based learning, effective time management, and consistent revision. He also discussed common mistakes made by aspirants and shared practical tips to improve accuracy, speed, and confidence during the examination. Students actively participated by asking questions related to course selection, university preferences, admission procedures, and career opportunities after Class 12.

The workshop proved to be highly informative and motivating. It provided students with a clear understanding of the CUET examination process and encouraged them to prepare systematically for achieving admission to their desired universities. Overall, the session was interactive, enriching, and beneficial for all participants.
