## REPUBLIC DAY RALLY

Republic Day Rally – Eco Club Report

Date: 22 January 2026

Venue: St. Joseph's Academy, Savita Vihar

School Playground and surrounding streets (nearby market, community park)

Organized by: Eco Club

### Overview

The Eco Club led a Republic Day Rally with a green twist, combining patriotism with environmental responsibility. Students, teachers, and local residents participated enthusiastically, showcasing their commitment to both nation and nature.

### Program Highlights

- Green March-Past: Students carried placards with eco-slogans and marched with biodegradable flags and banners.

- Awareness:-Through this rally, the children spread awareness among people about their fundamental rights, civic duties, and various laws, encouraging them to become responsible and informed citizens.

- Speeches: Eco Club president and teachers spoke on "Sustainable Citizenship," emphasizing the role of youth in protecting the environment.

### Outcome

The rally blended national pride with environmental awareness, inspiring students and the community to adopt greener habits. The event was a success, fostering a sense of responsibility towards both country and planet.

### Photos/Videos:

Photos and videos of the event have been prepared and uploaded to the government Eco Club site.
