Report on Summer Splash 2026

(19.05.2026)

The school organised Summer Splash 2026 for the students of LKG and UKG on 19<sup>th</sup> May 2026 before the commencement of the summer vacation. The campus was filled with excitement and happiness as the students arrived in colourful summer attire and enthusiastically participated in the fun-filled activities planned for the day.

The children enjoyed a variety of engaging activities and creatively made paper boats, paper fans, and other colourful origami craft items using origami sheets and crayons. They also had great fun playing with bubbles and participating in cheerful summer-themed games and activities with their classmates. The laughter and excitement of the little learners made the celebration lively and enjoyable.

The programme gave the students a joyful and refreshing experience before the summer break and created many happy memories for all the little learners.
